Subject: Falcon Refinery - Approval of RI Task Order on 9/10/11
Date: 09/15/2012 05:00 PM

Hello all, the subject RI Task Order was approved on 9/10/11.

Jessica, could you please forward this e-mail to other fed and state trustees. Phillip, could you please forward this e-mail to other TCEQ staff that are still associated with the Site. It has been a long time since we have worked on the RI, and I'm not sure whether the Site Team has changed.

According to the approved Work Plan, a Darft FSP and QAPP are due on or before October 11, 2012.

I will schedule a conference call in the near future. Thanks.
